CNC-35/CNC-36/CNC-37/CNC-38

CODE	DESCRIPTION	DIMENSION AND DRAWING	MATERIALS
CNC-35NR	Male End Cap for single color wall washers		connectors are made of nylon.
	Female End Cap for single color wall washers		
CNC-35RGB	Male End Cap for RGB wall washers		
	Female End Cap for RGB wall washers		
CNC-36NR	connector 1 male with 20cm cable for singel color wall washer		
	connector 1 female with 20cm cable for single color wall washer		
CNC-36RGB	connector 1 male with 20cm cable for RGB wall washer		
	connector 1 female with 20cm cable for RGB wall washer		
CNC-37NR	at one end 1 female, then 1m of cable and at the end one male. for single color wall washer		the cable is made of rubber wires and connectors are made of nylon.
CNC-37RGB	at one end 1 female, then 1m of cable and at the end one male. for RGB wall washer		
CNC-38NR	at one end 1 female, then 5m of cable and at the end one male. for single color wall washer		
CNC-38RGB	at one end 1 female, then 5m of cable and at the end one male. for RGB wall washer
